HIGH SCHOOL BASEBALL 1980 — 81

This year the Eagles did very well in their attempt to make the regionals. They won the Sequoyah Tournament and went on to defeat Oolaga in the districts, which brought them to a 23-7 season.

The Eagles played an excellent season this year, and the scoreboard shows it. There were 28 homeruns made by the end of the season. At the sports banquet held on April 28, Art Bright received the award for best offensive player, and Gary Smythe received the award for best defensive player and best all-around.

Eagle fans agree with Darrell, We are #1!!!!

HER KISSIN' COUSIN

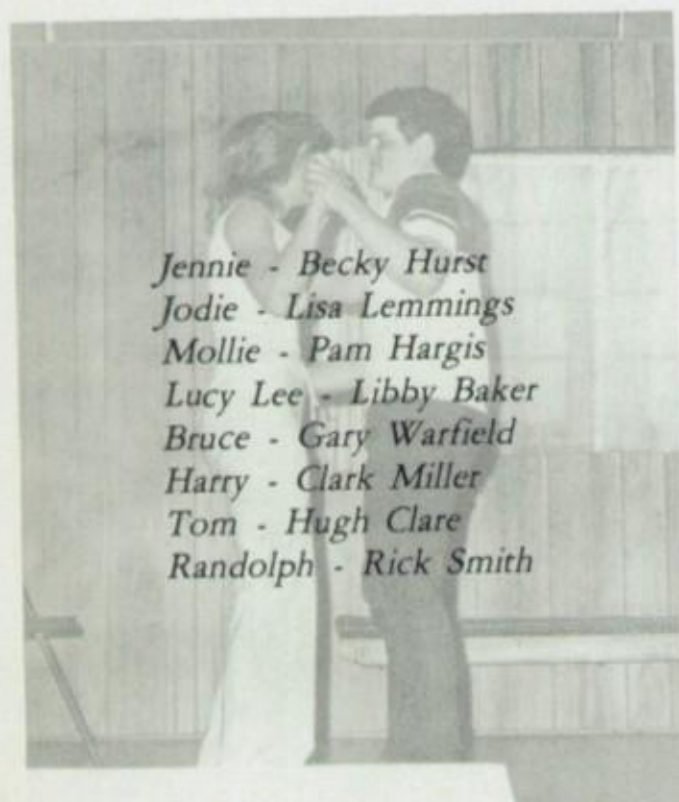

On April 14, 1981, the seniors presented "Her Kissin' Cousin" to their fellow classmates, parents and friends.

The cast spent many hours in rehearsal, but the reward, a play which everyone enjoyed, was worth the effort.

The director was very pleased with the casts' efforts and with great pride commented, "This was the best group of students I have ever had the pleasure of working with. They are to be congratulated!"

Why, down home we just naturally sweet talk most of the time. I do it myself.

SOMEWHERE OVER THE RAINBOW

Carol Goedecke and Lisa Lemmings reading the Senior wills.

On the morning of April 24, the decorating committee for the 1981 Junior Senior Prom arrived at the CJC Post House. As they worked hard all day, the room was transformed into a rainbow!

As the guests began to arrive, the beautiful rainbow caught everyones eyes. Overhead, streamers of every color of the rainbow decorated the ceilings. Tissue-paper balls and raindrops hung all around the room. The tables were decorated with several colors of streamers and little candles in the shape of a rainbow reaching a pot of gold. It all followed the magical theme of "Somewhere over the Rainbow".

The banquet went well, with the reading of the Senior wills, and the Junior prophecies.

After the banquet, the tables were cleared, the lights dimmed, and the prom started. Slow dances were the favorite of the night as Jeff Radley demonstrated by slow dancing through "Celebration" and "Funkytown" with his date. Mr. and Mrs. Corbett and Mr. and Mrs. Graham couldn't resist the music and they were out there dancing with the rest of the dancers. But, the evening had to end. The last slow dance played and with that the prom ended, but the magic of that evening will always be in our memories.

Dayna Thomas and Don Reed reading the Junior prophecies.

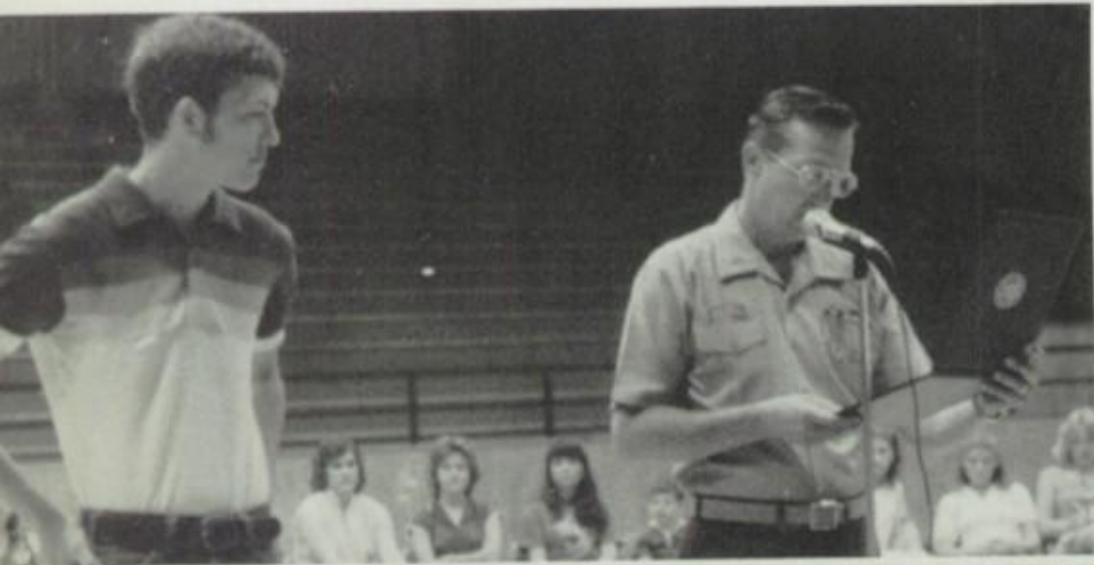

Are you sure that tape will hold me on this ladder?

OUR HERITAGE

This little bit of land, on which rests the campus of what we now call Sequoyah High School, was once part of the Indian Territory. Sequoyah must have felt that the education of his tribe was important, because the first school located on this site was probably Cherokee, since it was here before statehood.

The first public school, which opened just after statehood, went through the tenth grade. The school hours were nine-four with one hour off for lunch. Only the basics were taught. Basketball and baseball was offered to boys.

The school's only artifical lighting was supplied by coal-oil lamps, while pot-bellied stoves fueled by coal kept the students from freezing in winter.

During the early days at Sequoyah, horses, buggies and feet were the only transportation available for teachers and students. A barn, located on the north-west corner of the present parking lot, served as a garage for horses and buggies.

During the 1934-35 school year, Sequoyah began bussing students. The first bus was provided by the driver. He was responsible for the actual building of the bus. The driver would build the body from masonite and attach it to a truck chassis. The first bus had no glass windows or padded seats. Canvas provided protection from the elements, while wooden benches provided seating.

The first school building, a two-story brick structure, was erected prior to 1920. The old elementary was added in 1949 from sandstone blocks and a gym in 1936 completed the Sequoyah High School campus. During the years, fire and constant wear by students and community alike has brought about our present, modern day facilities. The gym which will field its first basketball games during the 1980-81 season is the newest addition to our campus.

Enrollment becomes a big decision.

SCHOOL LIFE

CARNIVAL

1980 . . .

was an exciting event. Delightful squeals, exclamations of triumph and the settling of the stomach with refreshments from the concession stand could be heard from all corners of the buildings.

Entertainment while waiting in anticipation for the "profit goal" included the playing of the Country Cousins whose leader is a former member of Sequoyah and the distributing of prizes. The last entertainment for ending the carnival night was the crowning of the queens who were all dressed in long formals and colorful dresses.

All in all, the carnival for nineteen eighty was a big success and one that will be remembered by all people.

Seniors, Howard Abrams, Norman May, Sandra Stratford, Gary Warfield, Pam Johnson and Richard French.

The band is a vital part of our school. They helped to entertain and build school spirit at many school functions. They were at football games, both at home and on the road; at pep assemblies they worked with the cheerleaders; and in the spring they helped the seniors end their days at SHS during graduation.

Homecoming is a tradition which has thrived at Sequoyah since football's beginning in 1973. During homecoming week, comes the excitement, anticipation planning, and completion of many dreams.

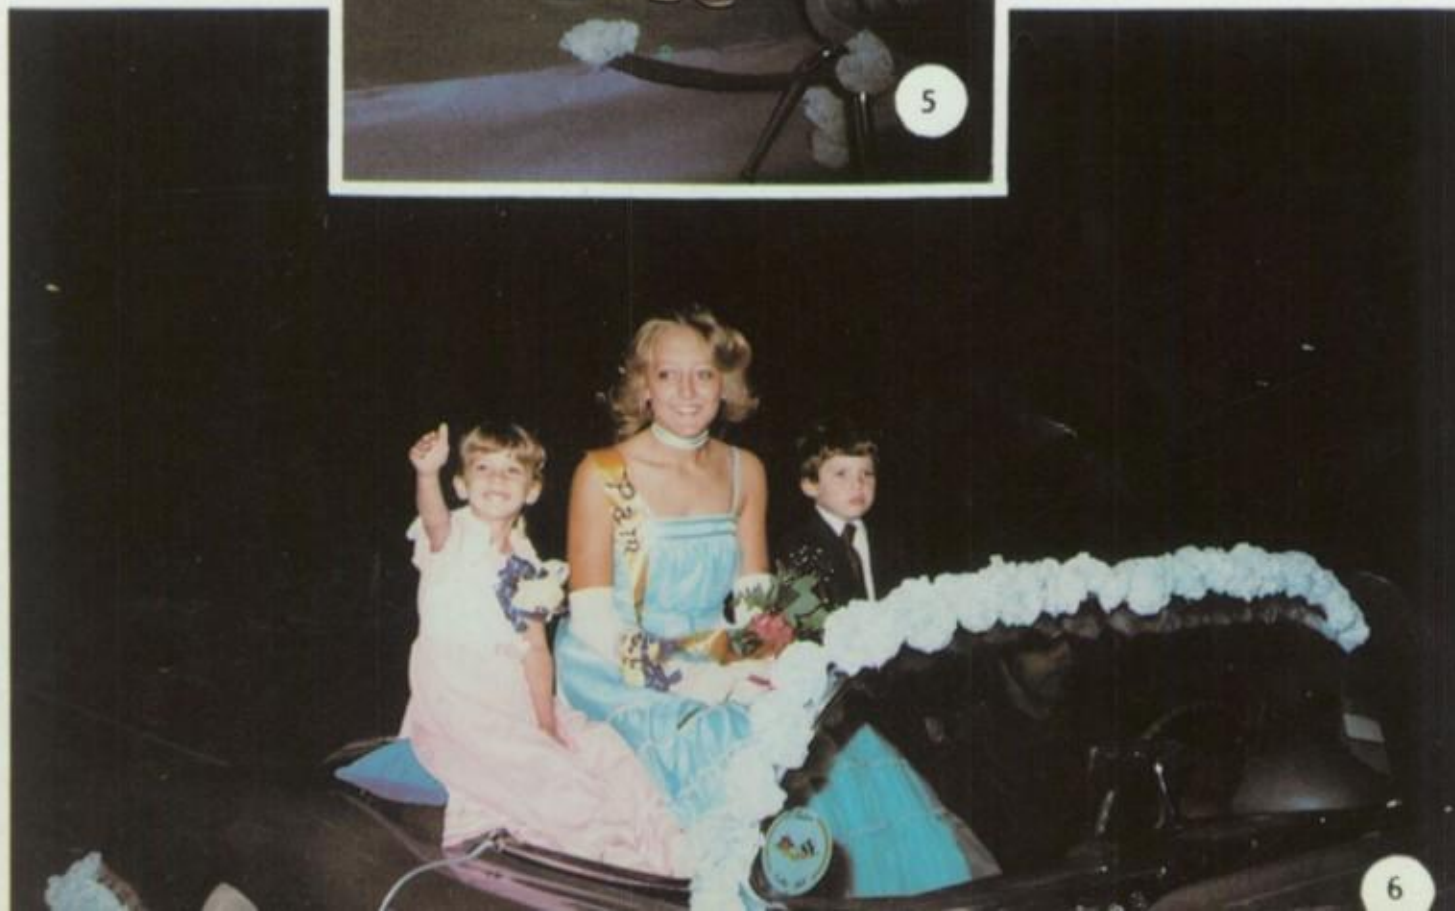

The week's activities were well planned by the cheerleaders with hall, locker, and locker room decorations, shoe polishing the cars, putting together the platform, and carrying through the coronation.

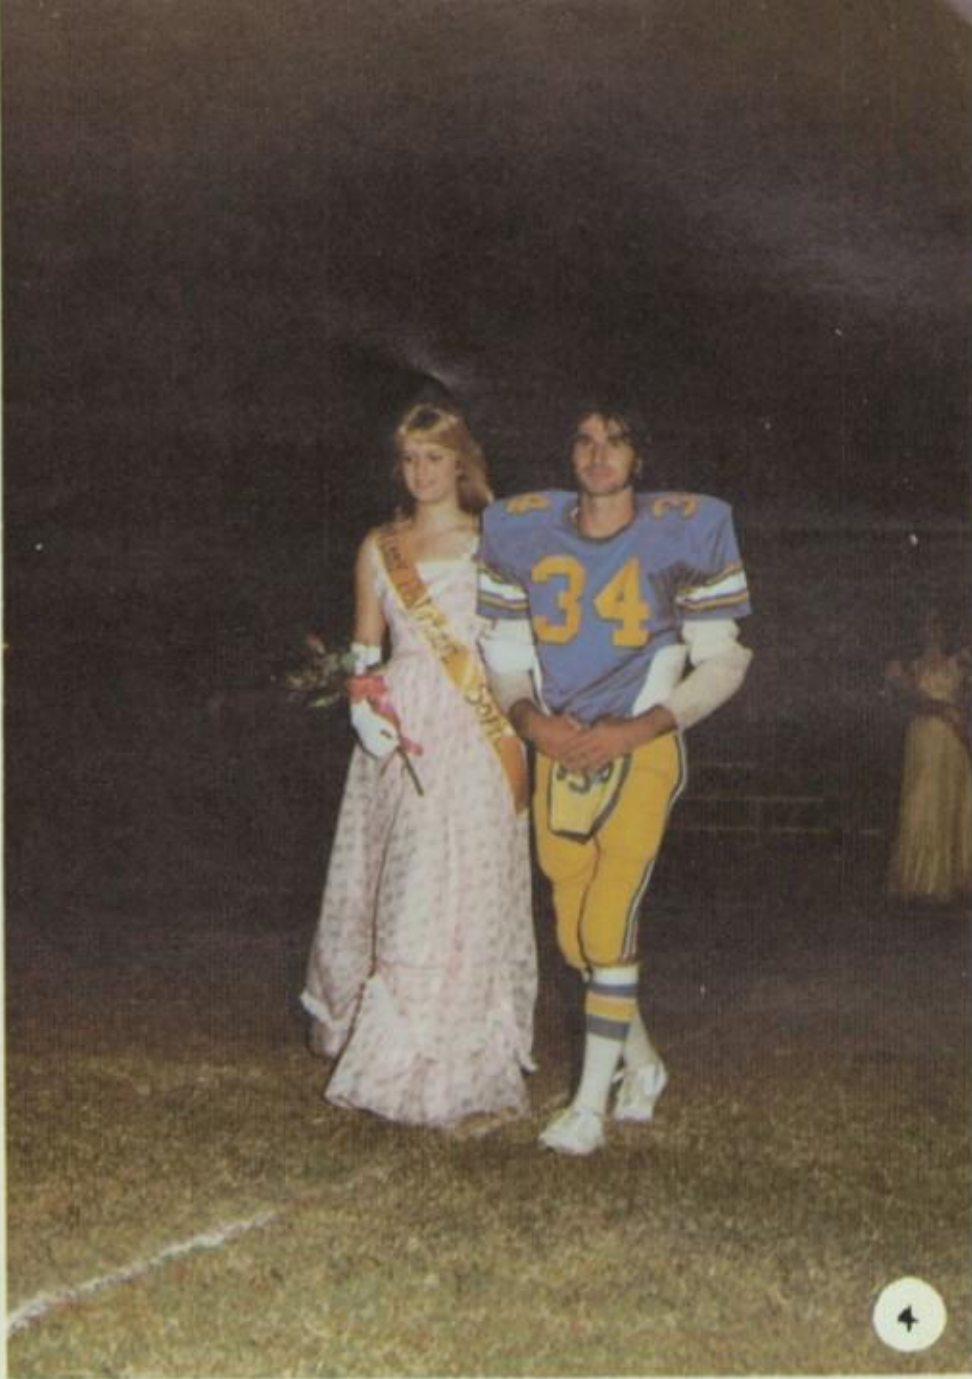

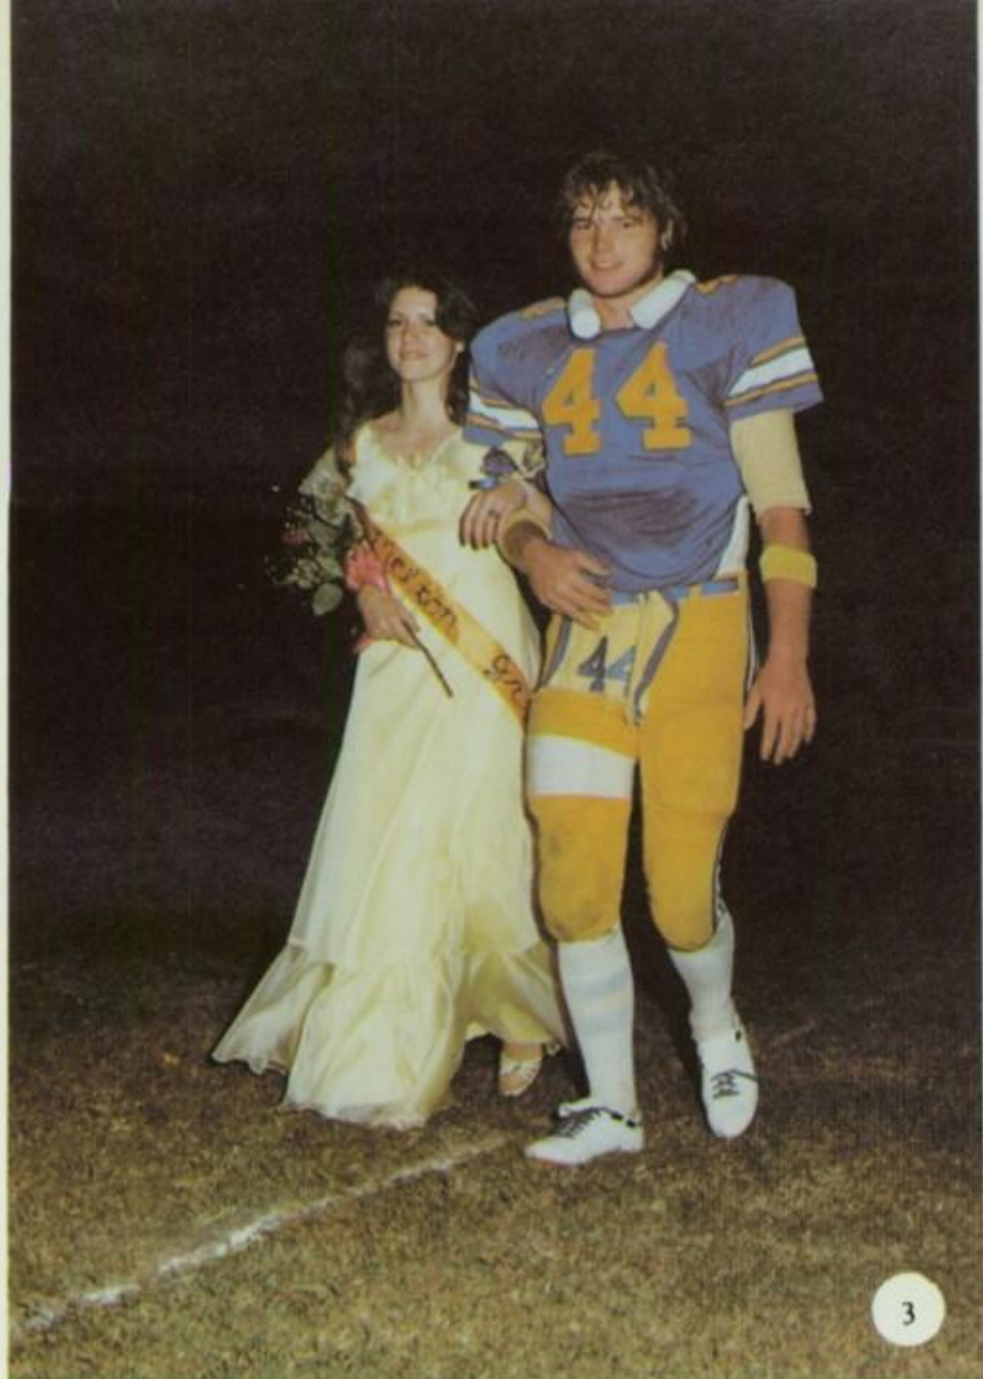

Miss Leah Melton was honored as this year's queen. Her court included, Sophomore attendant Missy Pollite, and Senior attendant Pam Hargis. All three contestants are to be commended for their beautiful dresses, and beautifully decorated shining corvettes.

The 1980 Homecoming was one of the most memorable events of our high school year.

STUDENT SPOKESMEN FOR SHS

Members. First row L to R: Leah Melton, Pat Clark, Don Reed, Dakota Wood, Mike Harrison, Beth Hauxwell. Second row L to R: Jeff Radley, Dan Hull, Sandy Sims, Sandy Esau and (not shown) Joy Rhinehart.

The SHS Student Council, under the able leadership of Mr. Helton, spends many hours listening to students who feel that their school could be improved. All legitimate complaints are then taken to the principal. Through this type of student-principal cooperation, potential problems can be worked out to the satisfaction of everyone involved.

The Student Council is also presently involved in purchasing ping-pong tables for the high school students so that they will have an outlet for their energies during the lunch break.

Officers. L to R, Leah Melton, Treasurer; Pat Clark, Parliamentarian; Don Reed, Vice President; Dakota Wood, President; Mike Harrison, Chaplain; Beth Hauxwell, Publicity Manager; and (not shown) Joy Rhinehart, Secretary.

A NEW BEGINNING

The Sequoyah Chapter of Future Business Leaders of America is a new addition to our school this year. This club is dedicated to training students in leadership, not only in business, but in all walks of life. This will be accomplished through state leadership conferences, competition with other schools throughout the state, fund raising activities and aiding fellow students through the opening and operation of a student store.

Members. First row L to R: Mrs. Baker, Lisa Maxey, Carol Goedecke, Lisa Lemmings, Libby Baker, Debi Morris, Lori Hearn, Lori Stratford, Mike Harrison, Mrs. Maxey. Second row L to R: Don Raleigh, Greg Cline, Shawn Summers, Jeff Radley, Julie Fetter, Sherry Short, Diane Laymon, Shelli Benton, Donna Cooper and Richard James.

Officers: L to R, Greg Cline, Sergeant at Arms; Carol Goedecke, Treasurer; Lisa Lemmings, Vice President; Libby Baker, Parliamentarian; Debi Morris, President; Lori Hearn, Reporter; Lori Stratford, Secretary; and Mike Harrison, Chaplain.

L to R, Lisa Maxey, Carol Goedecke, Lisa Lemmings, Libby Baker, Debi Morris, Lori Stratford and Mrs. Baker attended their first leadership conference at Oklahoma City. They brought back many useful ideas to share with fellow members.

FACULTY

ADMINISTRATORS

The 1980 — 81 school year is rapidly fading into history. Before it has gone completely, one must stop for a moment's reflection of the present and future of Sequoyah School.

It seems each year the citizens of our great country face a crisis. This year has been no exception; the Iranian crisis, inflation, and world tension. The ability to solve these crises is what makes the United States of America a great country.

Problems have no chance of being solved unless the citizens are educated. An example of this goes back to 1958 when the Russians put the first satellite into orbit. The feelings of our citizenry was that we needed more scientists, mathematicians, and engineers. The schools for the next few years reflected this concern and trained men and women in these scientific fields. Within a few years we surpassed Russian in the outer space race and landed a man on the moon.

Schools must continue to reflect the demands of our society to help solve the problems of this country. Students should take advantage of the programs offered at Sequoyah Public Schools to help them accomplish these demands.

PRINCIPALS

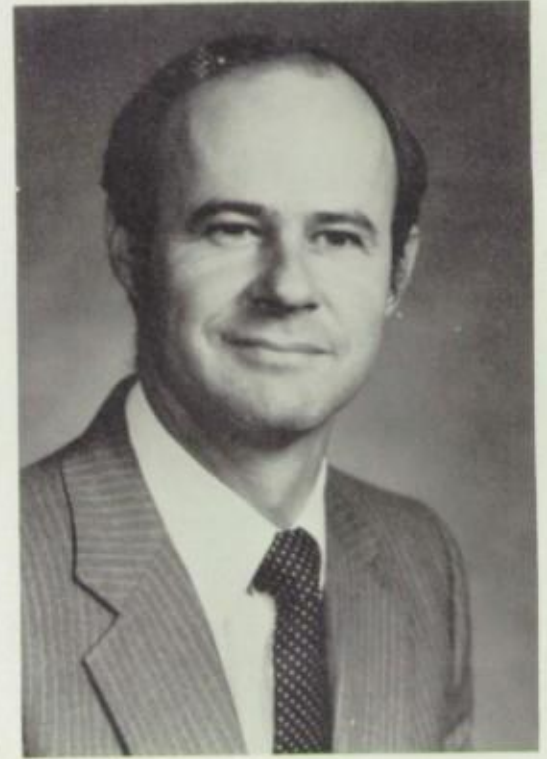

Congratulations and best wishes to the class of '81. Having completed your high school education, I hope you are ready to accept the challenges that lie ahead. Set your goals high; don't be afraid to tackle any job or position that is important to you.

Those of you continuing your education at Sequoyah need, likewise, to set your goals high. Make good use of the time spent obtaining an education. Work hard to prepare yourself for graduation and that jump into the adult world.

May God bless each of you as you continue your education or your life's work.

Today, education is the vital link in the future and the development of our great nation. We have never been more aware or concerned of providing a quality education for all children, than we are today.

I am pleased to be a part of this program and to join with you, the faculty and the community, in the challenges that lie ahead.

Sequoyah School has improved and progressed in many ways. The new field house is a big plus to our campus. We added an elementary counselor to our staff.

We try to meet the needs of our students with a challenging curriculum and exciting sports program. This task is made possible by an excellent staff of teachers, understanding parents and cooperative students.

I'm proud to be a part of a progressive school such as Sequoyah. It's an honor to play a part in shaping the futures of our youth.

We're NUMBER ONE!

CHEERS!

Sequoyah High cheerleaders began preparing for their season early in June by attending DCA cheerleader camp in Siloam Springs, Ark. They returned with a second place trophy for their cheering abilities! Camp got them fired up and ready for football season. Their main goal was to keep spirit high all year long.

Being a cheerleader is no easy job as it involves staying after school for practicing cheers, routines, planning assemblies and skits, decorating halls and lockers-this plus keeping up with schoolwork! The squad did an excellent job under the guidance of their sponsor, Betsy Farbrow, and the leadership of head cheerleader, Gigi Smith.

Group: Chris Pollock, Regina Rhinehart, Lisa Lemmings, Beth Hauxwell, Dee Dee Fox, Gigi Smith, Laurie Hearne, Rhonda Larson.

GIRLS SOFTBALL

The Lady Eagle Softball team ended the season with a 5-3 record. Their goal at the beginning of the year was to win the District Tournament. They came very near achieving this goal by coming in second.

This close-knit team was inspired not only by their coach, Mr. Winfield, but were an inspiration to each other.

The 1980 football season will go down in history as a year when individual effort excelled. Even though the season ended with a 4-6 record, two Eagles were chosen to the All-County team: Seniors Gary Smythe, as fullback and linebacker Rick Kelsey as defensive end and tackle. All the other players are to be commended for their tremendous effort.

The coaching staff which consisted of head Coach Glen Lang, and his assistants Jow Gassaway, Steve Johnson, and Ken Chronister, never gave up in striving to field a winning team.

The community support of the team was also very outstanding. With this continued support from players, coaches, and community, we can expect great football in 1981.

All come on coach we're seniors, do we have to practice in the rain?

Congratulations Lady Eagles for your great team effort. You started the ball rolling with a super team effort, and kept this effort going to the end. The results were great.

Although you had defeats, your victories will long be remembered. Victories won by long, hard hours of practice both together and individually. Victories gained by determination,

pride and strong will.

Lady Eagles of 1981, we salute you for a super performance.

SPIRIT -N- SMILES

Spirit and smiles, that's what it takes to be a cheerleader! No matter how rough the road, a cheerleader's spirit never falters, and her smile never fades. When the team is down by 20 points, her school pride and enthusiasm is still shining through! A cheerleader could be considered a spark plug. Cheerleaders are really something special!

This year Sequoyah Junior High had an excellent group of girls representing them. During football season, Captain Julie Cagle kept the squad going with her beautiful smile and never ending enthusiasm. When basketball season rolled into view, Susan Hearne took over as Captain, leading an all new group of girls.

I feel that the cheerleaders of Sequoyah Junior High for 1980-81 have done an outstanding job!

Keep up the good work girls!

JR. HIGH EAGLES

The Eagle kickoff came with new spirit in '80. Packed with more spirit and leadership than ever before, the outlook was bright. Led by spirited players such as Lee Coe, Kevin Thomas, Pedro Bates, Steve Lemmings, and Lynn parsons, the hopes were high. The final records showed our team pride, and the vast improvement made overall.

"Look Coach, no hands!"

"Excuse me, but you seem to be in my way!"

We will be back; bigger better, and stronger; to hopefully once again show spirit and pride for our school.

EAGLE'S FRESHMEN

Although the scoreboard didn't always show their talents, you can bet the crowd knew about it! There is a lot of potential on this year's ninth grade teams. They also had a lot of pride and spirit. They worked hard together as a team and never gave up. The hustle in every game was tremendous. Their effort made up for their mistakes, and their pride made up for the sometimes low scores.

We are proud to say . . . ninth graders, you're doin' fine! Remember: When the going gets tough, the tough get goin, and Eagles never quit goin'!

Front row: Tom Marchant, Brian Kellehan, Lynn Parsons, Scott Reed, Back row: Pedro Bates, Steve Lemmings, Milburn Litterell, John Rhine, Coach Chronister.

The seventh grade Eagles are flying high. Though the girls didn't have as good a season as the boy's, overall it was a good year. Their scores often showed their abilities and skills. Keep up the good work seventh grade, we're proud of you!

5 & 6 GRADE — SEQUOYAH'S

Five seconds left on the clock. The score is tied 30 to 30. Eagles have the ball and one got fouled. He steps up to the line to shoot. He shoots and misses. They call time out and the coach tells them how important the point is . . they shake hands and go back out. The crowd screams with excitement! He walks up to the line, draws a deep breath and shoots. The crowd is silent. Then all at once the stands roar. It goes in! The buzzer goes off and the Eagles have one again.

This shows the talent of our future Eagles. Good luck to our Eagles of tomorrow!

Front row: Bobby Cooper, David Parrent, Brent Green, Kevin Esau, Brian Kelley, Mark Talley, Back Row: Troy Owens, Brad Fowler, Jerry Draper, Jamie Barrett, Mark Harrison, Ricky Smith, Robert Thompson.

STUDENT COUNCIL

This year the Jr. High Student Council planned to become a bigger part of the school. They had fund raisers such as selling pens, pencils, and hats. They held days such as western day. They also held a talent show, which was a big success. They plan to do many other projects to better our school.

SEQUOYAH HI-LITE

This year the Annual Staff started publication of the *Sequoyah Hi-Lite* for the first time since 1978. The *Sequoyah Hi-Lite* was pleasureable reading for the students who looked forward to the many interesting articles, jokes, games, and stories.

Thanks to Mrs. Baker, the Staff's loyal sponsor, *Sequoyah Hi-Lite* will be part of Sequoyah's history for years to come!!

What?!! There's nothing wrong with it! Editors: Lori Stratford, Clark Miller, Nancy Kellehan
